Dear Aztec Families:

We sent a letter on Friday detailing our plans for continuity of learning. Since then, we have made what we believe to be the most responsible decision by canceling the original plan to have students come to the school tomorrow for resource materials. We understand that yesterday's letter may have been confusing some of our families. **To clarify, students should not come to school tomorrow, Thursday, March 19, to pick up resources.** Families who have requested a Chromebook or need paper copies of third quarter work assigned before Spring Break should come to campus on Saturday, **March 21st** between 10am and 12 noon to pick up the requested Chromebook or paper copies.

One last note for this evening: food pickup information is delayed from the local districts, but we anticipate that we will be able to send it to you as soon as possible.

Please contact us at [info@thealamedaschool.org](mailto:info@thealamedaschool.org) with any questions you might have or to let us know about special circumstances your family is encountering.

Educationally Yours,
