

March 26, 2020

Dear Aztec Families,

On Monday, Mayor Ron Nirenberg expanded his emergency order for the city of San Antonio to include a 'stay at home' order. **Therefore, we are extending our time away from campus and your student will continue their Alternate Learning Plan through at least April 24.**

Everyone -- our staff, students, families, and partners -- has demonstrated such grace and dedication to the continuity of student learning during this challenging and uncertain time. Since starting the Alternate Learning Plan in earnest this week, you've told us how meaningful the personal connections are for students and how good it is to have some "normal" back in their lives. We've loved seeing our students' faces, hearing their voices, and continuing our work together.

HFA is committed to providing social-emotional support and a positive learning path for each of our students. If you have any questions or particular needs regarding your student or concerns about your family's well-being, please reach out to us at info@thealamedaschool.org.

Educationally Yours,
